

IN THE UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF OHIO
EASTERN DIVISION

ADAM EVANS,

Plaintiff,

-vs-

ANETTE CHAMBERS-SMITH, ET AL.,

Defendants.

Case No. 1:19-cv-2870

Judge J. Philip Calabrese

Magistrate Judge Thomas M. Parker

JOINT STATUS REPORT

Pursuant to the Court's January 12, 2023 Minute Order, the parties report that they have met and conferred and believe this matter is ready to be set for trial without an expert discovery period. The parties dates of availability for trial are below.

Defendant's availability for trial:

Defendant is not available: March 4-11, April 5-13, June 8, June 20-23, and June 26-30.

Plaintiff's availability for trial

Plaintiff is not available: the month of February, March 1-7, March 13, March 16, and the first three weeks of June. Plaintiff's counsel respectfully requests not to set the trial until April at the earliest.

Although the Court previously directed the parties to provide dates for the first half of 2023, because it is now later in the year, the parties respectfully submit that the month of August is also open for them but the month of July is difficult for Defendant.

Estimated time for trial

The parties estimate this will be no more than a 3 day trial.

Respectfully submitted,

FRIEDMAN, GILBERT + GERHARDSTEIN
